20 MAY 1942

Sir,

Subject - Re Audit objection to certain remissions in the Sidlaghatta Municipality

I have the honour to state, that the Auditors have held under objection the remission and write off amounting to Rs.724-9-4 sanctioned by the Municipal Council, Sidlaghatta, in their meeting held on 10th January 1935, on the ground that papers relating to remission were not forthcoming and that mutations were not made year after year as the circumstances changed. It is seen from the enclosed records and the report of the Present President of the Municipality that the detailed remission statement and all the relevant records on the subject are not available and that some of the available records on the subject produced in the subsequent audit were considered not enough to admit the remission and write off in Audit The then President of the Municipality has furnished his remarks on the subject and it is seen therefrom that the remission statement in question was prepared by the Assessing Officer with the assistance of the Bill Collector and Sanitary Maistry after close scutiny of the arrear lists and old khates including therein only such items as were found to be either wrong demands or irrecoverable demands and that the Municipal Council also took great care in examining each one of the items recommended for remission or write off before approving each of them. It is seen from the copy of the resolution of the Municipal Council dated 10th January 1935 sanctioning the remissions and writes off that a detailed remission statement referred to by the then President had been prepared and was placed before the meeting of the Municipal Council with the remarks of the Assessing Officer, Bill Collector and Sanitary Maistry in respect of each

7)

each item and that the Council sanctioned the remissions and writes off after duly reading and considering the shares made in each case by the collecting staff.

In these circumstances, I recommend that sanction of Government may kindly be obtained for admitting the remission and to write off the sum amounting to Rs.724-9-4 objected to in audit. The entire connected records on the subject are enclosed for kind reference.

I have the honour to be,
S i r,
Your most obedient servant,

Deputy Commissioner,
Kolar District.

Subject: Regarding the Audit objection and remissions in the Bidlaghatta Town Municipality.

Sir,

With reference to your letter No.I.827/M.26-41-8 dated 22-7-42 requesting me to state the names of officials responsible for the missing of the detailed remission statement connected with the above subject etc., I have the honour to state that during my inspection of the Municipal Office held on 29-3-43, a thorough search was made in the records room and the remission statement which was reported to be missing was traced out. It is seen therefrom, that the statement has been prepared by the Assessing Officer, then working in the Municipality with the assistance of the Sanitary Maistry and the Bill collector after close scrutiny of the khates. Only those items coming under either wrong demand or irrecoverable arrears have been included in the list after local enquiry. The reasons that necessitated the sanction of the remission have also been recorded in the remission statement in each case. The Municipal Council have also taken care in examining each case included in the remission statement and have approved the remission at their meeting held on 10-1-35.

The President, has also passed a memo in the remission statement that remissions as sanctioned by the Council may be noted in the concerned Khates But the memo has not been signed. Several khates were also verified at the time of inspection and found that amounts as sanctioned by the council have been correctly posted to the khates concerned. In these circumstances, sanction of Government may kindly be obtained and waive the

waive the audit objection as resolved by the Municipal Council at their meeting held on 14-10-41. The bonned records accompany for favour of reference.

Action has also been taken to sanction additional hands wherever necessary to sort and maintain the records in Municipal Offices. A clerk on Rs 15/- per mensem was sanctioned for a period of three months to Siddaghatta Municipality to attend to sorting of old records. The old records have been sorted.
